Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 92

Focus Occupation: Respiratory Therapy Technicians (29-2054)

Associated Occupation: Cardiovascular Technologists and Technicians (29-2031)

Work Activities	Exclusivity of Activity
Administer medications or treatments	46
Analyze medical data	57
Collect clinical data	56
Communicate technical information	4
Follow infectious materials procedures	52
Follow patient observation procedures	71
Inventory medical supplies or instruments	67
Make presentations on health or medical issues	50
Observe patient condition	48
Prepare patient reports	66
Prepare patients for tests, therapy, or treatments	70
Take vital signs	56
Understand technical operating, service or repair manuals	6
Use clinical sterilizing technique	71
Use emergency medical procedures	64
Use interpersonal communication techniques	10
Use knowledge of medical terminology	40
Use quality assurance techniques	61
Use sanitation practices in health care settings	48

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.

Tools and Technologies that Both Occupations Have in Common

Similarity of Focus
Occupation to Associated
Occupation: 75

Focus Occupation: Respiratory Therapy Technicians (29-2054)

Associated Occupation: Cardiovascular Technologists and Technicians (29-2031)

Tools and Technologies	Exclusivity
Autoclave and sterilizer equipment and accessories	12
Clinical and diagnostic analyzers and accessories and supplies	18
Computers	1
Diagnostic assessment and exam products for general use	21
Electrocardiography EKG units and related products	20
Industry specific software	1
Medical ultrasound and doppler and echo imaging products	19
Oxygen therapy delivery systems and devices	13
Pulmonary function testing and treatment products	24
Specimen collection and transport containers and supplies	14
Stethoscopes and related products	14
Syringes and accessories	14

Not all positions in these occupations will necessarily use all of the listed tools and technologies. The exclusivity rating is an indication of how unique the tool or technology is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations use that tool or technology.
